M/S. Golfari Family & Friends in Italy

Dear all,

By **God's grace and your kind support** which Fr. Dr. Peter obtained during his Christmas visit to you, we finally erected the headquarter's tower and covered other urgent needs.

The attached DV tape shows the erection of the tower.

With our thanks once again, and prayers to the **Lord** to bless & protect you all.

Sincerely your In-Christ

Samir Qumsieh
